**BOW-CONCORD PUBLIC INFORMATIONAL MEETING**  
***ALTERNATIVES FOR IMPROVING THE I-93 CORRIDOR***

The New Hampshire Department of Transportation announces a Public Informational meeting will be held Tuesday, April 17, 2007 to present and describe a range of alternatives that have been considered for the future of the Interstate 93 corridor through Bow and Concord.

The project's Planning Group, an advisory committee of community, regulatory and transportation groups, has screened these I-93 alternatives to determine whether they are reasonable for further consideration as part of the Bow-Concord I-93 Transportation Planning Study.

The April 17 public meeting, which will provide an opportunity for citizens to comment on the alternatives, will be held at the Rundlett Middle School Cafeteria, 144 South Street in Concord. It will begin with an Open House from 4:00 pm to 6:30 pm, when the public can review project materials and the alternatives. A formal presentation will begin at 6:30 pm, followed by a question and comment period.

For more information, visit the Bow-Concord I-93 Study website at [www.i93bowconcord.com](http://www.i93bowconcord.com)
